

Youth On the Move:
Youth Organizing and Leadership Development training

July 16-19, 2014
New Market, Tennessee

Come join us for a four day workshop to share strategies for supporting and developing techniques and skills around youth organizing and leadership development for social change by learning about Highlander's methodologies (popular education, cultural organizing and participatory research) and learn from other great participants about work doing on around the country and possibly the world!

We will have workshop sessions, cultural activities and free time to relax, reflect, discuss, and have fun at Highlander

Come if you would like to spend time with people and groups who would like to learn more about Highlander, developing young leaders, how adult allies can create spaces for transformative growth with youth and young adults, strengthening connections between organizing and leadership development, and to share ideas and information about working to change the world. This is also our opportunity to explore what's so special about youth organizing and leadership development and how do we increase our potential. We will also have spaces for youth, young adults and adult allies to meet and grow separately.

The cost for this 4 day workshop is \$250 - \$350, which includes room and board. We will have some scholarships available for people with limited means who are actively engaged in social change (please send scholarship application with your registration. Childcare and English/Spanish translation can be provided.

Applications Due by June 1, 2014

Scholarship Request

Some partial scholarships are available. If you would like to be considered for a scholarship, please answer both questions below.

1) Our scholarships are limited, so we prioritize low-income people engaged in social change activism connected to youth organizing and leadership development. Please describe yourself in light of this - whom are you working or volunteering with and what is this group working to do?

2) Please let us know what you can afford to pay.
Regular cost for workshop is \$250 - \$350
